BE MORE LIKE GEORGE!

George's is the kind of cocktail bar you wish you'd stumbled into years ago.

We're just seconds away from bustling Brunswick Street and the newest bar to open in the precinct. That doesn't mean we're flashy though; we like being just the opposite. We're a contemporary bar full of drinks and food to make your function the classy affair (or low-key shindig) you're looking for. We're ideal for pre or post performance get-togethers, corporate events, special occasions or a place to catch up with friends.

George's welcomes private functions 5 days per week, so there's no stress about coordinating everyone's schedules. We have a capacity of 100 standing room, but we love intimate events too. Our unique space is a perfect choice for your special event, and our beverage/food packages are available below for your perusal.

Our venue is equipped with an in house sound system, iPod connection, microphones and a projector to cater for your every need. George's friendly and professional team will ensure an event to remember, and are open to any requirements you may need. We've thought of everything so you don't have to, and that's why we're the perfect venue for your next function.

If you would like to view George's bar to see if we're right for you, or just after more information, please do not hesitate to contact our Function Manager.
